**PROFESSIONAL FOG**

Pro-Fog Fluid does not contain coloring products which can result in damages to the heating element. Made from polyfunctional alcohols, this fluid is completely soluble in water and FDA approved for stated use. Designed to produce a safe, non-irritating, non-toxic, thick fog with most conventional fog machines. Store in a cool, dry area.

Not for internal consumption. Keep away from children. Use in a properly ventilated area. Vapor from this fluid may be irritating to some persons with allergenic sensitivity. Do not expose at close range to known asthmatics. Manufacturer, Distributor and Dealers disclaim any liability for misuse for this product.

**Made in Canada**
