

# COMPU SHOW

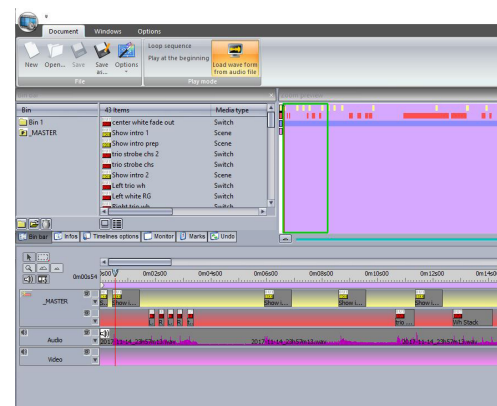

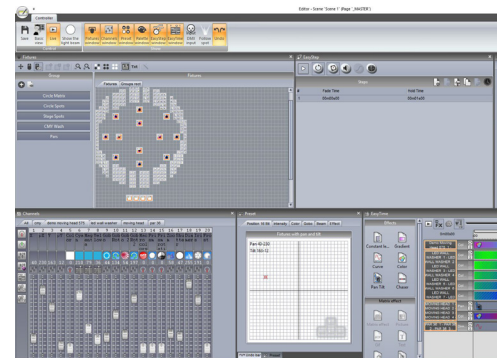

## PC DMX CONTROL SOFTWARE

ADJ Compu Show is a powerful DMX control software to help lighting designers program sophisticated lightshow at their fingertips directly from their computer. Compu Show comes with many great features making lighting design quicker and easier than before. ADJ Compu Show software is compatible with Compu Cue Basic, Compu Cue and Compu SDE interfaces.

Compu Show also comes standard with powerful 3D Visualization software, 3D Easy View, which allows you to easily create a scenario of your imagination using Studio 3D object formatting. Basic Objects and truss structures are included to help in getting started right away, and lighting fixtures are instantly inputted as soon as you create a page in the Compu Show software.

Compu Cue Basic and Compu Cue interfaces allow for limited 3D visualization while the Compu SDE interface allows for more advanced features include; 3D video with positioning, 2D set up views, report management printing (which allow you to print out wire frame CAD drawings which, include position and DMX channel charts).

	ESA Pro (Art 1024 - Elation Software)			•

## SYSTEM REQUIREMENTS:

- Windows XP / VISTA / 7 / 8 / 10, (32-bit or 64-bit Compatible)
- Laptop or Desktop Computer with 2.0 USB Port
- 1280 x 800 Screen Resolution
- 1 GB of RAM for Storage
- 1 GHz (Single or Dual Processor System)
- 256 MB RAM Video Card for 3D Visualizer
- Touch Screen Ready

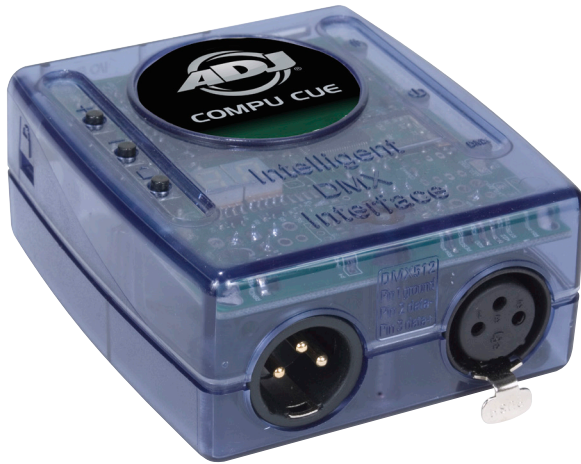

## COMPU CUE BASIC

COM586 • UPC: 818651025262

### Live Use with Computer:

- USB & connection
- Smartphone & tablet control
- 1 DMX Universe In (512 Channels each universe)
- 1 DMX Universe Out (512 Channels each universe)
- Limited 3D Visualization
- MIDI live control

## COMPU CUE

COM523 • UPC: 818651025248

### Live Use with Computer:

- USB connection
- Smartphone & tablet control
- 2 DMX Universes (512 Channels each universe)
- 2 Art-Net Universes
- Limited 3D Visualization
- MIDI live control
- Port Triggering

### Stand Alone Mode (no computer):

- 1 DMX Universe
- Port triggering
- Clock/calendar triggering

## COMPU SDE

COM226 • UPC: 818651025255

### Live Use with Computer:

- USB & Ethernet connections
- Micro SD memory card slot
- Smartphone & tablet control (iPhone/iPad/Android)
- 3 DMX Universes (512 Channels each universe)
- 4 Art-Net Universes
- Full 3D Visualizer
- MIDI live control
- MIDI time clock (In/Out)
- Port Triggering
- Network control - connect interface over CAT5 to computer

### Stand Alone Mode (no computer):

- 3 DMX Universes • Infra Red remote control
- Micro SD slot for stand alone memory
- Port triggering • Clock/calendar triggering
- Multi-zone
